## BOOK SYNOPSIS

Experience the LSAT at a whole new level. LSAT strategies come to life in this gripping narrative. Master LSAT fundamentals and techniques that will prepare your mind for the exam. More than anything, Alexandra wants to conquer the LSAT and get into a great law school. Will she succeed? As an average student, who doesn't hail from a long line of lawyers herself, the task seems insurmountable. But with the help of Noah, a successful attorney and former LSAT instructor, along with Noah's expert friends and Alexandra's relentless tenacity and laser-focused study, this unique educational fiction sets out a path to educational success that anyone can follow. Ripe with relatable tension and a sprinkle of humor, *A Cadre of Experts* thoroughly details essential LSAT concepts and exam strategies, all told through the growing friendship between Alexandra and Noah as they travel the country to consult with various experts in preparation for the exam. We are witness to the emotional rollercoaster that Alexandra rides, sharing the emotional highs of overconfidence and the lows of discouragement that many students face along the way. Start your own LSAT journey together with Alexandra and Noah and start reading "A Cadre of Experts."
