BOOK SYNOPSIS

The New York Times and USA TODAY bestselling author of the explosively sexy *Inside Out* and the *Secret Life of Amy Bensen* series will seduce you with this sultry tale of possession and ecstasy, wild fantasies and dangerous secrets—first in the racy and suspenseful *Careless Whispers* series. Ella awakes alone in Italy, no longer sure of who she is. One thing is certain: a gorgeous man has claimed her as his own. He’s tall, dark, and sexy, the kind of rich, powerful man who makes a girl long to be possessed. And possess her he does, whispering wicked promises in her ear, indulging her deepest desires, stealing her trust—and her cautious heart. Soon, though, she discovers that nothing is as it seems. The truth will shatter her world, but it will also set her free...if it doesn’t destroy her first. New York Times and USA TODAY bestselling author Lisa Renee Jones, whose searing novels generate “enough heat...to start a fire” (RT Book Reviews), dares you to fall in love with her irresistibly surprising and scandalously erotic new series.
