- Language : English
- ISBN : 1544107587

BOOK SYNOPSIS

Erotic literature comprises fictional and factual stories and accounts of human sexual relationships which we have selected from two of the greatest erotic writers of all time, Tiffany Sparks and Torri Tumbles. In the 21st century, a number of female authors have risen to prominence, including the two we have selected. Other authors celebrate the term erotica but also question why literature with the sex left in should be considered outside of literary fiction. A development in contemporary erotica has been that, contrary to some previous views that it was mainly a male interest, many women readers are enjoying it, whether it be traditional Erotic Stories or tailor-made womens erotica. Romantic novels are sometimes marketed as erotica—or vice versa—as mainstream romance in recent decades has begun to exhibit blatant (if poetic) descriptions of sex. Erotic romance is a relatively new genre of romance with an erotic theme and very explicit love scenes, but with a romance at the heart of the story. Erotic fantasy is a subgenre of fantasy fiction and utilizes erotica in a fantasy setting. These stories can essentially cover any of the other subgenres of fantasy, such as high fantasy, contemporary fantasy, or even historical fantasy. The extents of the genre to break existing conventions and limits in subject matter have managed to shock popular audiences, with genres such as monster erotica, lesbian, bisexual, gay and even she-male erotica emerging with the ease of digital publishing. Erotic fantasy fiction has similarities to romantic fantasy but is more explicit. Erotic fantasy can also be found in fan fiction, which uses plot elements and characters from popular fiction such as television series, movies or novels. Erotic fan fiction may use characters from existing works in relationships undreamed of by their creators, such as slash (homoerotic) fan fiction. Fan fiction and its Japanese counterpart, doujinshi, account for an enormous proportion of all erotica written today. We believe the best way to bring you these fantastic stories is uncensored the way the author created them. If you enjoy these erotic works we ask to please leave a good review on your selection. So the powers to be will see the readers want and deserve to have available these great erotic selections. To help Let them remain uncensored for new readers to enjoy by personal choice and at the ease of a fast download to their reading device in the privacy of their own homes. All these interesting forms of erotica can be found in many of works we have selected from these fantastic two authors. You are sure to enjoy these great selections read one today! ***** Highest recommendation of erotic works today!

EROTICA FOR WOMEN WITH EXPLICIT SEX EROTIC ROMANCE VOLUME 5
