BOOK SYNOPSIS

A Grand Master of Science Fiction and the multiple-award-winning author of *A Boy and His Dog* presents seven stunning stories of speculative fiction. Hugo Award winner "I Have No Mouth and I Must Scream" is living legend Harlan Ellison's masterpiece of future warfare. In a postapocalyptic world, four men and one woman are all that remain of the human race, brought to near extinction by an artificial intelligence. Programmed to wage war on behalf of its creators, the AI became self-aware and turned against all humanity. The five survivors are prisoners, kept alive and subjected to brutal torture by the hateful and sadistic machine in an endless cycle of violence. Presented here with six more groundbreaking and inventive tales that probe the depths of mortal experience, this collection proves why Ellison has earned the many accolades he's received and remains one of the most original voices in American literature. *I Have No Mouth and I Must Scream* also includes "Big Sam Was My Friend," "Eyes of Dust," "World of the Myth," "Lonelyache," Hugo Award finalist "Delusion for a Dragon Slayer," and Hugo and Nebula Award finalist "Pretty Maggie Moneyeyes."
