BOOK SYNOPSIS

This book is the basis for the first season of The Expanse, now a major television series from Syfy! Leviathan Wakes is James S. A. Corey's first novel in the epic, New York Times bestselling series the Expanse, a modern masterwork of science fiction where humanity has colonized the solar system. Two hundred years after migrating into space, mankind is in turmoil. When a reluctant ship's captain and washed-up detective find themselves involved in the case of a missing girl, what they discover brings our solar system to the brink of civil war, and exposes the greatest conspiracy in human history.
