BOOK SYNOPSIS

Every student package automatically includes a CD-ROM containing the Microbiology Place website, along with an access code for the Microbiology Place website. Students and instructors continue to make Microbiology: An Introduction the No. 1 selling non-majors microbiology text, praising its careful balance of microbiology concepts and applications, proven art that teaches, and its straightforward presentation of complex topics. For the Eighth Edition, this successful formula has been refined with updated research, applications, and links to an enhanced Microbiology Place Website/CD-ROM. Supported by a powerful new Art and Photo CD-ROM for instructors, this new edition provides the most current coverage, technology, and applications for microbiology students.
