BOOK SYNOPSIS

Dont know how to get started with a new skill? Cant find time for a side project? Ever quit in frustration after beginning something new? We all want to expand on our existing knowledge. But sometimes its impossible to stay consistent with a new skill or habit. Its easy to fall into the trap where you focus only on learning and never get around to implementing the information. The truth is: You can learn anything... without spending lots of money... without dedicating thousands of hours to the process... and often without leaving the comfort of your home. Anyone can develop a talent with the right mix of practice, motivation, and coaching. And thats what youll learn in Novice to Expert. **DOWNLOAD::** Novice to Expert -- 6 Steps to Learn Anything, Increase Your Knowledge, and Master New Skills. Written by Wall Street Journal bestselling author S.J. Scott, Novice to Expert will show you how to: Set a goal to learn a new skill Fully immerse yourself in this world Meet others who share a similar passion Identify the "right things" to practice daily Master a skill so you can teach others about it Many people dont believe they can teach themselves. We live in an age of abundant information, yet there is a common myth that the only way to learn is through a formal educational environment or by hiring an expensive coach. Thats why youll discover: 6 Proven Resources to Teach Yourself a Skill The #1 Technique for Taking Actionable Notes 13 Questions to Ask Yourself Before Picking a Skill Two "Must-Have" Apps to Manage a Knowledge-Based Project 8 Steps to Deliberately Practice a New Skill 6 Habit-Learning Challenges (and How to Overcome Them) Plus... You will get access to the free download, 147 Websites to Learn Something New. Throughout Novice to Expert, you will discover how to work at a skill during your spare time so it doesnt interfere with your busy life. The trick here is to self-educate and implement what you learn during those small pockets of time that happen throughout the day. Would You Like To Know More?
